

Giving back to our community – The Conquer Games

As part of our focus on improving the lives of people in our country, representatives from Ulwembu Business Services, some clients and their families took part in the third Conquer Games that was held at the Huntersfield Stadium in Katlehong.

We are aiming to become the primary sponsor of the Games in 2018.

Conquer Games gives businesses and individuals an opportunity to join in community development and care. Four primary schools were invited to participate at the Games, including: Thulisa Primary, Monde Primary, Zibuko Primary and Thokoza Primary. In addition, Fountain of Love, an orphanage from Katlehong also joined the fun.

Said Melody Miya from Conquer MIH (Make it Happen): “The day reintroduced those fun games that we used to play when we were young to children that don’t get to play every day.”

Adds Mbasa Yenana, solutions and innovations executive at Ulwembu Business Services: “We are proud of our involvement in this meaningful community project. The day not only provided companies an opportunity to make a difference in the community, but it offered the children a welcome break from adversity by giving them the opportunity to spend a day having good, old-fashioned fun in the sun!”
